

MISA AFL CHAMPIONS

A host of year 7-9 high school students have flocked to Ash park this week to lace up the boots for the 2017 grand final for our inter school MISA competition.

AFL9s is a non-contact version of football that has been formed to create a game that is inclusive for all, yet still allows competitors to enjoy the fundamental skills of AFL. For the MISA competition, this was changed again to MISA 12s to allow greater contact in the spirit of the full game.

After a season of tough games the Thomas Hassall boys team was the eventual winner, taking home the inaugural trophy. Thomas Hassall took down favorites Freeman Catholic College 39 to 34 in a grueling but fantastic game to watch.

Thank you for our coach Mr Reed and our AFL ambassador and convenor Mr Palmer who has helped the team achieve their win.

Congratulations to the following boys:
