

THE WAY

JUNIOR HUB

Rocking with the Junior Hub.

It is always a special event when our Junior ensembles perform in the Junior amphitheatre at lunchtime. This week, our Junior Band performed on Tuesday lunchtime, and it was just like a stadium concert! Students were seated waiting in anticipation for the band to play, and watched eagerly for the entire concert.

It is great to see such warm support from our juniors for their fellow musicians. The Junior Band is directed by Mr Alvin Ash and assisted by Mr Mark, and the performed a variety of classic pop and funk tunes, as well as an original song composed by **Elena Tomaras** and **Joshua Cook**. Well done to all performers in the Junior Band!
