2017 HIGH ACHIEVERS' ASSEMBLY

This week we celebrated the 2017 High Achievers Assembly

On Wednesday 14 February we welcomed back our Year 12 High Achievers of 2017. This was a very special time of presenting the 2017 Merit Award Winners (Band 6 students) to the student body. There were 22 former students in attendance and before these students embark on to university, they were able to share their collective wisdom with our current students. A special congratulations to Cameron Eggins who was presented with his 2017 Dux Award with an ATAR of 99.75. Well done to all our graduates of 2017.
