

THE WAY

JUNIOR ASSEMBLY

Last Friday, three of our Junior violin students, Elaine Wang, Stratos Demertjis and Anne Bunch performed at the P-2 assembly.

They each performed a solo piece, and then concluded with a piece all together, accompanied by their string tutor Mr Ehab Ibrahim, on the cello. All students performed very well, and it was a great chance for them to perform for their younger peers, and an excellent opportunity for them to gain confidence and experience in their solo performance practice.

Well done string players!
