POLICE VISIT TO YEARS 5 & 6

Constable Mary Watson presents on Cyber Safety and Technology.

On Thursday 8 March, Year 5 and 6 were privileged to hear from the NSW Police Force. Constable Mary Watson led us in a discussion surrounding Cyber Safety and Technology. Students were presented with the reality and dangers of using social media as well as the many laws put in place to protect individuals.

Constable Watson gave us a special presentation of some police equipment attached to her duty belt. Some of the equipment included: handcuffs, a radio, a baton, and hand-held protection devices such as pepper spray, a firearm and ammunition. Thankfully the students were very well behaved and none of the equipment needed to be tested!
