TERM 1 : FRIDAY 16
MARCH 2018

JUNIOR PERFORMANCES

Smaller ensembles are a great way of showcasing the talent of our young musicians.

In addition to all of the co-curricular ensembles, some of our students rehearse in smaller ensembles to perform at assemblies and other College events. Currently preparing for assembly performances are two small groups of students; **Stella Ford, Andrea Kricka, Lucia Garido & Breana Steele**, and **Tim Waters, Benji Al-Khoury & Liam Swan**. Big congratulations to **Rico Zou** for performing solo cello at last week's P-2 assembly.

Well done to all these junior musicians!
