

THE WAY

THOMAS HASSALL RADIO IS HERE!

We are excited to announce we now have a live DJ show each fortnight at lunchtime

Please welcome our new initiative, THAC RADIO! Debuting in Week 6 on Monday lunchtime, Mr Schrack is hosting a fresh and relaxed platform for students to listen to music provided by DJ Schrack and the Year 12 Student Leadership Team, as well as listen to announcements about upcoming and relevant events happening around the College. This is an exciting new venture that again provides students a creative atmosphere to enjoy their lunch, and a great chance for our senior leaders to practice their public speaking and social interactions.

Thanks to all those involved!
