## SOCCKER GIRLS VICTORIOUS

Senior Primary Girls Win NASSA Soccer Gala Day

Congratulations and well done to the Senior Girls Soccer Team who represented our College at the NASSA Gala Day on Monday 12 March. The girls gave it their absolute best, smashing their way through all 5 rounds to become undefeated champions!

Our Senior Soccer Girls have showed amazing cohesion as a team this year and spirits were high as they started the day off with a 4-0 victory against Penrith Anglican College. They went on to beat two more teams 5-0, easing their way into the finals

Though incredibly exhausted, our girls stayed focused during their semi-final against TIGS, coming out on top thanks to some amazing goals from **Angelina Hagipantelis** and **Isabella Sultan**.

In a nerve-wracking grand final against George's River Grammar School, the Senior Girls Team mustered up every bit of energy they could find and pushed themselves to a 3-1 win.

With only one goal scored against them the whole day, these girls truly deserved their title of undefeated champions!

A huge congratulations also to **Isabella Sultan**, **Abbie Furley** and **Jessica Michalak** who were selected to represent the College at the NSW CIS Primary Girls Football trials. It is such an honour to have these girls representing our College with such determination.

This gala day has set the girls up for an amazing IPSSO season.

Well done!

**Miss Ashley Tobar**

Junior School Girls Soccer Coach
