

THE WAY

SOCCER BOYS SHINE ON THE FIELD

Senior Primary Boys equal NASSA Soccer Champions

On Monday 12 March 2018 our APP Senior Primary Boys Football team competed in the NASSA Gala Day at Blacktown Sportspark.

It was a great day with the boys putting on a strong display of their football prowess. They played well together, working as a team to compete against well-prepared opposition.

The boys finished 2nd in their pool and faced TIGS in the semi finals. Combining well on the pitch, they came away with the win to play in the grand final against St Luke's who had defeated them 1-0 in the rounds.

In a show of great teamwork and skill the team came away with a 1-0 lead at half time. St Luke's fought back and levelled the score at 1-all. The score remained a draw at full time and the teams were declared joint champions.

Overall the boys were a great representation of our College, displaying sportsmanship both on and off the field.

6 of our boys were successful in selection into the NASSA team to play at the NSW CIS Primary Boys Football Gala on 9 April.

Congratulations to: **Diego Bueno, Joseph Demasi, Luke Moran, William Slattery, Domenic Trovato and Oliver Velnic**

Mr Timothy Koski

Junior School Boys Soccer Coach
