

THE WAY

THAC FM

Last week was our second edition of our new THAC FM event.

Every second Monday (in rotation with the HUB), Mason Schrack, along with some of the Year 12 leaders, host THAC FM – a friendly platform for students to listen to music provided by DJ Schrack and the Year 12 student leader team, as well as listen to announcements about upcoming and relevant events happening around the College. This is an exciting new event that again provides students a creative atmosphere to enjoy their lunch, and a great chance for our senior leaders to

practice their public speaking and social interactions.

Thanks to all those involved!

Mr Byron Mark
Ensembles Manager
