## MUSICAL NEWS

Week 9 has just passed and the progress for Musical 2018 has been steady

On Saturday we ran through all of Act 1 and it was wonderful seeing all of the various elements come together. We are having a quick break over Easter but back to it on Tuesday, Friday and Saturday next week.

**Tickets go on sale Sunday 1 April.** Invite your friends and family to this wonderful College event and also the wider community. It will be a fun show not to be missed!

Please keep the staff and students in your prayers as they have lots of extra work to do on top of assignments and existing commitments. Many thanks too for the staff and director for their time and dedication to our students.

I'm sure you will truly enjoy this high-quality production and can't wait for the 2<sup>nd</sup> week of holidays were the final intensive rehearsals take place.

Regards,

**Mr Nicholas Lane**
