

THE WAY

NASSA NETBALL GALA DAY

Well done to the Junior School Senior Girls Netball Team, who recently represented the College at the NASSA Gala Day.

The day was a good preparation for our IPSSO season which will begin next term. We faced some very tough competition in our seven matches, but the girls showed improvement with each game we played and managed to record two wins against Macarthur Anglican School and Broughton Anglican College.

Thank you to **Laura Monti** (Year 11) and **Montana Logozzo** (Year 10) for their help with umpiring and mentoring the team on the day. Thank you also to Mrs Evans for convening and organising the day.

A special congratulations to **Estella Beltran**, who was selected in the NASSA netball team. Estella will now represent NASSA at the NSW CIS trials on Friday 18 May. Congratulations Estella, we wish you all the very best!

Miss C Donaldson

Junior School Netball Coach
