

# THE WAY

TERM 1 : FRIDAY 13  
APRIL 2018

## JUNIOR HUB

On Tuesday, we had the first Junior Hub event for 2018.

Very exciting times at the Junior Hub. The **Intermediate Stage Band** performed a mix of classic funk and pop tunes, and the audience gathered around closely to capture all the action. We also had the LONGEST conga line in history at the College! It was great to see all the junior students enjoying the live performance too. The Intermediate Stage Band are preparing for some big events next term too – including a performance in Chatswood at the Sydney Eisteddfod. Well done to all the performers!
