

YEAR 4 TUTORIAL

Every week, each student in Year 4 has an instrumental lesson, a theory lesson with a specialist music teacher and a band rehearsal.

The photos above show students in 4G in each instrumental lesson. Each student is taught by a professional musician and this greatly improves their learning in a short amount of time.

You can encourage your child to be practicing regularly to ensure they are keeping up with the band repertoire.

The pieces we are currently learning include:

- Power Rock
- Mickey Mouse March
- Riding Through The Wild West
- Music Music Music

Thank you,

Nicholas Lane
