CIS PRIMARY NETBALL GALA DAY

NASSA Junior Netball win silver

On Friday 18 May **Estella Beltran** represented NASSA Junior schools at the CIS Primary Girls Netball Gala Day.

Playing as a defence, Estella worked hard down the court, turning over the ball and combined well with other players in team.

The NASSA Junior team finished 2nd and took home the silver medal at the end of the day.

Although Estella was unsuccessful in gaining a place in the NSW team, she showed excellent teamwork and sportsmanship throughout the day.

Congratulations Estella!
