

INTERMEDIATE STAGE BAND PERFORM AT SYDNEY EISTEDDFOD

On Monday this week, our Intermediate Stage Band performed at the inaugural Sydney Eisteddfod

The event was held inside the beautiful Concert Hall at the Chatswood Concourse, our students performed very well and achieved 3rd place!

Norma Toma and **Carlos Loureiro** also attended as special guests singing with the band, and

both did very well performing singing all the lyrics from memory!

Well done to all these performers for a great effort and representing our College to a high standard.

Thanks to all the parents for their continuous support of their child's participation in the band too.
