NSW CIS PRIMARY CROSS COUNTRY CHAMPIONSHIPS

Nineteen Junior schools students run at State Cross Country

Nineteen primary students braved the cold conditions and ran at the NSW CIS Primary Cross Country Championships held at Eastern Creek on Thursday 14 June.

In the lead up to the carnival, Mrs Ferguson held some training sessions for the team which certainly helped our students prepare for their 2km and 3km races.

Mr Whelan also came along for the day, transporting our team to the venue. It was fantastic to see him cheering our students on as they crossed the finish line.

We were very proud of all students who represented the College, this being our biggest team ever to represent NASSA at a State Championship.

Congratulations to the following students who were competed on the day:
