YEAR 6 SINGING SENSATIONS

It's exciting to see the boys and girls working on different parts in Music and then coming together to sing harmonies.

Year 6 have been learning to sing 'Best Day of My Life' by the contemporary group *American Authors*. The boys provide lots of energy and sing the main melody really well. The girls are learning the higher harmony part and can confidently perform this against the boys. The boys have been working with Mr Robinson and Mr Lane to learn their part in a separate room for the first half of Music, while the girls work with Mrs Lewis and Mrs Ford, then the two groups combine to rehearse together.

We look forward to making more wonderful music together throughout Semester 2. It's amazing to see so many enthusiastic performers every Monday afternoon.
