

## VISITING AUTHOR TO YEAR 1

Shan Joseph is a local Christian author.

He writes little books about Jesus and early learning books featuring a colour worm. Shan spoke to the students about why he became an author and where he finds inspiration for his books. He told us that we can gain inspiration from anywhere. He likes to find colours and ideas in nature through flowers, animals and landscapes. Shan chooses to write about Jesus as his favourite book is the Bible and he wants others to love it as much as him. Many students were able to order and receive a signed copy of his books and all students received a colour worm from Shan at the end of the session. All the students and teacher loved hearing from Shan.
