## PIANO PERFORMANCE

On Friday 10 August, Year 2 student Hailey H performed two pieces on solo piano at the P-2 assembly

She played very well and was able to share her talent with the school community; and now we all know that Hailey is a great piano player!

Her piano tutor is Mr Zoran Cirevski, who teaches piano at our College. Hailey has weekly lessons with Zoran and is progressing very nicely on the piano, which showed at last week's assembly performance.

Well done Hailey!
