

MORE FESTIVAL EDITORIAL!

The South West festival is a great fun experience for all students in Thomas Hassall.

There are rides for all different ages and lots of stalls which you can buy lollies and treats from. There are also bands playing some live music for you to enjoy and listen to, the performers in these bands are Thomas Hassall's own students.

The South West festival is so fun because you get to play with your friends and do a load of fun games and rides with them. From past experiences the rides I remember seeing include a ferris wheel, dodgem car riding, a few merry go round themed rides and a soccer penalty shootouts game. So I suggest that you come down to the South West Festival and enjoy yourself with your friends.
