# BANDS PERFORM AT PEC BUILDING OPENING EVENT

On Wednesday 22 August, the College celebrated the opening of their new building, the 'Rawdon Middleton VC Sports Complex'.

A select group of our Junior and Senior students provided some fantastic live music entertainment during the ceremony. The **Senior Concert Band** performed the National Anthem, sang by Year 12 student Katrina Fusca. The Concert Band also performed two feature items throughout the assembly, 'El Camino Real', a nice piece with a Spanish flavour, and then a collection of movie theme classics by Alan Silvestri called 'A Night at the Movies'. In addition, we had a special performance combining our Junior and Senior String students, creating a beautiful string ensemble. They performed a fun piece called 'Tango Time', and it was great to see the juniors stepping up to perform along with the seniors. All performers did very well and received excellent feedback on their efforts.

Well done everyone!

**Mr Byron Mark**

Manager of Ensembles
