SNOWSPORT SUCCESS

Fierce competition on the Slopes

Catarina di Ramio (Year 11) participated in the Interschools Snowsports Championships representing the College in both Alpine and Skier X at Regional level in July.

From her outstanding performance, she qualified for State representation on the weekend and was successful to represent Australia shortly. During all this racing, Catarina sustained an injury to her left knee and was required to retire from her slalom race.

At this stage, Catarina is preparing to represent the College at the Interschools Australian National Championships (Division 1) Alpine, which will be held at Perisher Valley on September 8.

Congratulations to Catarina on her outstanding achievements in skiing.
