

## FOLLOWERS *in* TRAINING

### FROM THE COLLEGE CHAPLAIN

Every year Thomas Hassall hosts CRU® Christian Schools Ministry group to run a Christian Leadership Program called Followers in Training or FIT for students in Years 5 and 6. The program encourages students in Years 5 and 6 to follow Jesus and learn how to serve Him and others at school.

The seminar was highly interactive and designed to help students understand what a Christian leader is and how they can serve God at their school CRU® Group. It also equipped students with foundational leadership training that will benefit them for the rest of their lives.

The student's were helped in their own friendship with God, trained on how to serve God and others at school, given practical skills for leadership in a lunchtime CRU group, and made new friends from other schools.

In all, 64 students from four schools in the area came. Schools like Penrith Anglican College, William Carey Christian School and Macarthur Anglican College.

It is exciting to see our young students grow in their relationship with Jesus and how to encourage others in theirs.
