

THE WAY

IPSSO NETBALL 2018 SEASON

Congratulations to the Junior and Senior Girls Netball Teams, who both played a great netball season.

Our Senior Team showed fantastic teamwork throughout their matches and were very supportive and encouraging of one another. A few losses during the season meant that the team finished third in our pool and sadly missed progressing to the semi-finals.

Our Junior Team finished our regular season in second place, which was particularly exciting as only a few girls in the team had played netball before this season. We progressed to the semi-finals, but faced tough opposition in Broughton Anglican College, losing 5-13. We then faced All Saints Grammar School in a playoff for third - the team who had already beaten us twice this season.

Thanks to some superb shooting, dazzling defence and impressive work in the mid-court, we managed to beat ASG in a nerve-wracking game with a score of 4-1, ending the season with a win and third place overall!

Both teams were great ambassadors for our College. They showed great sportsmanship throughout the season and enthusiastically played each week.

Well done girls!

Miss Claire Donaldson
Junior Girls Netball Coach
