

JUNIOR DRUM CIRCLE

On Friday in Week 8, our Junior Drum Circle had their debut assembly performance this year at the 3-6 assembly.

The group has grown this year, and they performed their piece very well! The Junior Drum Circle rehearses on Monday lunchtimes, and study arrangements that incorporate African and Latin rhythms.

Since this assembly performance, many new students have joined the group, and I am now looking forward to the next performance with all of our new drummers!

Well done everyone.
