DIG IT! THOMAS HASSALL VOLLEYBALL CHAMPIONS

THAC Primary Junior Newcombball and THAC Primary Senior Modified Volley ball had a wonderful winter season.

The 2 teams trained consistently every week, developing in skills, teamwork and confidence. Both teams progressed to the recent IPSSO finals, held in tough volleyball conditions, with bright sunshine and slight gusty winds.

On the day, THAC Jnr Newcombball Team came 4th place in a **suspenseful and nail-biting final** to Georges River. The teams were tied 1-1, and in the third set tied again on 24 points. In the end, Georges River snatched the narrowest of wins, beating THAC by only 1 point to reach 25 first. Great play THAC - you challenged them all the way!

The focus, communication and teamwork of the THAC Snr Volleyball Team was also exceptional throughout the day. THAC firstly beat Wollondilly 2-0 in the semi-final and then convincingly defeated Macarthur with another 2-0 in the finals! This secured the senior team the title of 2019 Volleyball Champions, 1st place, a gold medal and big smiles!

It has been a delight to coach these 2 wonderful teams and watch them represent THAC with sportsmanship every week. Congratulations!
