## IPSSO SOCCER FINALS 2018

On Wednesday 19 September the Thomas Hassall Anglican College boys soccer teams played in the IPSSO finals.

Both the junior and senior teams played well throughout the winter season and made it to their semi-finals.

Both teams played well and demonstrated how hard they have trained all year by not only winning their semi-finals but also persevering through and winning the grand-final as well. It was encouraging to see such a great display of teamwork and sportsmanship across the whole day.

Well done to both teams.
