

YEAR 4 READING CHALLENGE

After the girls won the inaugural Year 4 Reading Challenge in Term 2, the boys lay down the challenge for Term 3.

The competition had been tight throughout the term and it all came down to the final week. By a very slim margin of 95 pages, the boys took home the win, setting up an interesting contest for Term 4.

Over the term, an amazing total of **66 835 pages** were read by Year 4 students! With one term to go, books are at the ready - the championship is up for grabs. Who will be the overall Year 4 Champions?
