PLENTY OF FUN AT THE PREP - YEAR 2 TABLOID CARNIVALS

It was a day of fun and sport for our Prep, Kinder, Year One and Year Two students.

The Prep - Year 2 Tabloids provided a fun day of athletic and skill-based activities that saw all students experience a variety of physical games.

Assisted by our Year 5 and 6 helpers, our younger students participated in a variety of activities on the new sports oval. At the end of the carnival we had some running races, using the running lanes on the new oval.

After all that fun we enjoyed lunch with our parents and friends on the concrete concourse outside the new sports stadium.

A big thank you to the parents who came along to support their children, some of whom participated in their very first sports carnival.

Some special moments from our students:
