

YEAR 12 MUSICIANS

Each year, we celebrate the achievement of our Year 12 students that have been involved in our co-curricular music program.

This year, we have several Year 12 students that unfortunately only have a few weeks left of band rehearsals before the end of term; **Ben S**, **Katrina F**, **Pranjali S**, and **Rachel S**.

Well done to these students for committing to our Concert and Stage Band ensembles over the years.
