

I STILL CALL AUSTRALIA HOME

This term, Year One is learning all about Australia.

We will learn about the land that is Australia, produce that Australia exports and famous Australians. It is really exciting learning about where we live and the students are able to share how they interact and care for this amazing country we live in. Australia has some amazing artists and we will be creating artworks inspired by Albert Namatjira and Rosalie Gascoigne. Students will begin to explore how farms grow and produce fibres and food. We will even be able to see and touch some real wool from a sheep! It has been great hearing about the adventures we have had on holidays in Australia.

"I like that Australia is a fun place to live" Ben 1R

"I like Australia because we get to go to Melbourne" Joseph 1S

"I like Australia because it has Sydney and Western Australia" Rosana 1R

"I made an artwork like Rosalie Gascoigne using things I found in the classroom" Zara 1G

"Farms grow vegetables and food that go to the shops so people can buy them" Ayrton 1R

"Australia has 6 different states and 2 territories. Each one has a capital city" Mark 1G

Miss Ashleigh Hackfath

Acting Team Leader - Year 1
