

YEAR 4 BAND

To celebrate a successful year of our Year 4 students learning new instruments, all students visited Mount Annan Christian College last week to perform a special concert.

The day commenced with a workshop, together with the Mount Annan Year 4 band. After lunch, both school bands performed a joint concert to parents and the Year 3 & 5 students of Mount Annan Christian College.

This is the fourth year running our Year 4 Band Program, and we are starting to see some great musicians coming through as a result of this program. Thanks to all the support of the Year 4 parents this year, and we look forward to seeing many of these students participating in our ensemble program next year.

Mr Byron Mark

Manager of Ensembles
