YOUNG PERFORMERS EVENING

Last week, many of our Junior & Senior students that receive private and shared instrumental and vocal music lessons performed at our Young Performers Evening.

This is a fun event that allows students to perform for their parents and peers on some of the pieces they have been working on throughout the year with their tutor. It is also a great way for parents to meet their child's music tutor, and discuss the progress of their music learning. Thank you to all of those that came along to support this event, and well done to all of our students who commit their time to practicing and learning music.
