## 2019 MISA SPORT COMPETITION

Macarthur Independent Sport Association (MISA) begins in Term 1 Week 3. This is the College's Tuesday representative sport who play other independent schools in the area. This association caters for a range of different sports and in 2019, there will be a few exciting changes to occur including different sports than previous years and the opportunity to partake in the inter zone finals (Thomas Hassall is part of the North competition). The above image indicates the sport available in 2019 and is also located outside the PDHPE staffroom. If there are any questions regarding 2019 MISA, NASSA, AICES and CIS sport, please contact Miss Close [lclose@thac.nsw.edu.au](mailto:lclose@thac.nsw.edu.au)
