

THE WAY

COLLEGE ORIENTATIONS

Throughout Term 4 we have hosted several College Orientations and have welcomed nearly 200 new students into the College for 2019.

The Orientation days are designed for new students and their families and help them transition into College life.

Students have had the opportunity to experience time in the classrooms, get to know their fellow students and meet the teachers.

It has been a wonderful experience for all and we are looking forward to welcoming these families to the College for 2019.
