BASKETBALL DEVELOPMENT PROGRAM - KINDER - YEAR 9

New Basketball Program starts in week 3

The College is excited to launch Basketball as an additional sport in the 2019 Talented Athlete Program. Utilising our new gymnasium and the experienced coaches from Camden Valley "Wildfire" Basketball Association, afternoon basketball development sessions will be offered to students.

The Basketball Development Program is offered to both boys and girls from Kinder to Year 9.

The one hour sessions are designed to improve the skill level of each individual and cater for all abilities.

Students will be involved in fun activities that develop skills and promote understanding of the game. There are no trials for this program.

All sessions will occur from 3.00 – 4.00pm and will be conducted in the new sports facility.

- * Tuesday - Year 1 - Year 4 Program (FULL)
- * Wednesday - Year 3 - Year 6 Program
- * Thursday - Kinder - Year Two Program
- * Friday - Year 6 - Year 9 Secondary Program
