

JUNIOR CHOIR MEET THE TEACHER

On Thursday 7 February, Junior Choir had their first performance of the year during our Meet the Teacher evening

The choir performed a preview of 'Diamonds' by Rihanna, after only one week of rehearsals - amazing!

When we sing in groups we experience feelings of community, this is because singing releases

endorphins and oxytocin (the happy hormones). So, we thought the best way to bring happiness to others would be by inviting them to sing with us. After a quick rehearsal, the Junior Choir students and their families performed 'Dynamite' by Taio Cruz. It was so much fun! As Ella Fitzgerald puts it "the only thing better than singing, is more singing".

With that in mind, if you are interested in your child joining choir, please see our Music Administration Assistant Mrs Hobbins for an information note or email:
