NASSA Junior Basketballers shine

On Monday 11 February, ten boys and ten girls represented the College at the NASSA Basketball Gala day at the Northern Beaches Indoor Sports Centre.

Both the boys and the girls teams showed excellent sportsmanship and skill and faced some tough competition throughout the day.

Overall the Thomas Hassall girls came out in 3rd place and the boys finished in 4th place.

Well done to both teams, you should be extremely proud of your achievements!

Congratulations to **Stefan R**, **Luka D** and **Ana S** who were selected to represent NASSA at the **NSW CIS Basketball** Trials on Friday 22 February. Although unsuccessful in being selected in the CIS team they played well at the trials and were great ambassadors of the College. A fantastic achievement, well done!
