

# THE WAY

## COLLEGE OPEN DAY

Last week during our Open Day event, many student musicians from all ages across the College performed for our visitors.

As well as many solo, duo, trio and quintet performances, the Junior Choir, Junior Strings Ensemble, Senior Vocal Group also performed, and all performers did an excellent job. Many thanks to all of our student performers, and please make sure you look at all of the photos to see all of our other students in action!
