

JAZZ TOUR TO MOUNT GAMBIER

With only 3 weeks left of this term, our College tour to participate in the Mount Gambier Generations in Jazz Festival is fast approaching.

The Senior Vocal Group and Senior Stage Band will be travelling to Mount Gambier in Week 1 of Term 2 to perform at Australia's largest jazz festival, organised by the one and only, James Morrison. Over 5000 students from across Australia attend this event, and it will be a great inspiration for our students to see many other schools perform, as well as watch James Morrison

and his array of special guests perform for the students.

The College co-curricular program provides many opportunities for our students to perform around Australia and internationally. If your child would like to become involved in any of our ensembles, please speak to Mr Mark or Mr Lane.
