Kokoda 2018

KOKODA TREK 2020

Thomas Hassall Anglican College has been participating in the Kokoda Challenge since 2008.

It is a journey that would challenge even the most fit bushwalkers as we follow the path of the Kokoda Track in Papua New Guinea on which Australia and Japan engaged in bitter warfare during World War II. It is an unforgiving and rugged wilderness that previous students of the college

describe as an unforgettable and a challenging experience. During the June/July holidays in 2020, Thomas Hassall Anglican College will once again embark on this journey and we are now putting out the call for all current Year 9/10 students and parents who are interested in embarking on this journey with us.

We will spend 11 days in Papua New Guinea, immersing ourselves within the culture of local village life and hear about the history of the battles that were fought to gain a deeper understanding of the warfare that took place so close to our country.

If you are interested in going to Kokoda in 2020 please see Mr Kaye in L2 for an information pack. All other enquiries can be directed to Mr Kaye via email: pkaye@thac.nsw.edu.au.

Mr Phillip Kaye

Kokoda Coordinator & Director of Welfare (Senior Years)
