SENIOR ASSEMBLY PERFORMANCES

In Week 8, the MISA DANCE GROUP performed at the Senior Assembly, along with Marco Kalik on solo guitar.

The new College Dance Academy has commenced this year, and is an exciting extension to the opportunities we provide for our students. Our College Misa Dance Group, which is made up of selected dancers from Years 7-11, performed a contemporary dance piece to a piece of music by Sia called '*Bird Set Free*'. Based on the idea of 'broken birds', the dance followed the journey of individuals rising to confidence through resilience and perseverance.

Marco Kalik is one of our HSC music students, and has been studying classical guitar for 7 years. Whilst he also enjoys playing contemporary rock and pop guitar, Marco performed one of his HSC assessment pieces called '*Romance d'Amour*', well known today as 'Spanish Romance'.
