

YEAR 10 VISUAL ARTS

Year 10 Visual Arts students have completed a range of artworks which reference a series of celebrity silkscreen prints by Andy Warhol.

To create their innovative drawings Year 10 art students applied splashes of primary coloured ink across the page and then inserted a charcoal portrait of their chosen celebrity. The interplay of the coloured ink and the black and white portraits has produced some exciting and creative results.

Year 10 students are to be congratulated for their willingness to experiment with new mediums and the engagement and enthusiasm which is evident in their work.
