NASSA JUNIOR TOUCH FOOTBALL

NASSA Junior Touch football results

Some of our Year 5 and 6 students competed at the NASSA Touch Football Gala Day on the Tuesday 7 May. The teams played a total of 7 games each against all the NASSA Schools.

BOYS TEAM - The boys had come into the team with little training, so for some, playing touch football was a new experience. We competed well throughout the day and ended up finishing equal fifth. The boys all conducted themselves well, and played each game in a good spirit.

Well done to **Brodie V**, who was selected to represent NASSA and trial for the CIS team.

GIRLS TEAM - Most of the girls in the team had never played Touch Football before, so they went from strength to strength throughout the day, learning new skills as the day progressed. With some close scores, the girls placed 5th at the end of the day and had lots of fun learning new skills.

Both teams are to be congratulated on their attitude and effort throughout the day. They showed perseverance and sportsmanship and were great ambassadors for the College.
