# DA VINCI DECATHLON AT KNOX GRAMMAR SCHOOL

On Thursday 30 May, Knox Grammar hosted the Da Vinci Decathlon which is an academic competition designed to challenge and stimulate the minds of school students. Students compete in teams of eight across 10 disciplines: Engineering, Mathematics, Code Breaking, Art and Poetry, Science, English, Ideation, Creative Producers, Cartography and General knowledge. A team represented our College at this event:

**Year 5 students:** Aaron D, Ana S, Alex L

**Year 6 students:** Jasmine L, Stratos D, Liliana S, Stella F and Liam S.

These students represented our College exceptionally well and had a wonderful opportunity to spend the day thinking, collaborating and exploring new ideas.
