

THE WAY

YEAR 3 EXCURSION TO THE WETLANDS

Last week Year 3 went on an excursion to the Harrington Park Wetlands.

It was a great experience for all students, and allowed us to see first-hand a wetland ecosystem. There was an abundance of wildlife, including many different types of birds. Students were able to participate in a variety of activities to consolidate the learning that has taken place throughout the term.

We were fortunate to be blessed with great weather, and some lovely parent helpers.
