

THE WAY

YOUNG PERFORMERS EVENING

YOUNG PERFORMERS EVENING

This year at Thomas Hassall Anglican College, we are again holding a special performance evening for the parents and friends of the students who learn a musical instrument at College.

It is called **“Young Performers Evening”**. This will be an opportunity to celebrate the work of the students and their musical development throughout the year. There will be a variety of instrumentalists performing a balanced, entertaining program. This event will also provide a perfect opportunity to acknowledge the dedication and hard work of the tutors.

This year there will be a Junior and Senior Young Performers Evening. Our tutors will be encouraging students to present one or two pieces each to showcase their learning and growth throughout this year.

The date of the Junior evening is **Wednesday 31 July** and the Senior evening is **Wednesday 7 August**.

We will bring more information early next term.
