

THE WAY

JUNIOR ASSEMBLY PERFORMANCE

Elaine Wang (Year 6) performed 2 solo Classical pieces at last weeks P-2 assembly.

A very talented multi-instrumentalist, Elaine played one piece on the piano (which she has been playing for 5 years) and one on the violin (which she has been playing for 3 years). She is currently preparing for AMEB music examinations on both instruments which will take place at the end of the year. It was a very inspiring performance for our Junior students, and we hope to see some of them performing music like this in the future. Congratulations Elaine!
