## YOUNG PERFORMERS EVENING

## YOUNG PERFORMERS EVENING

A special performance evening for the parents and friends of the students who learn a musical instrument at College was held for the Junior students on Wednesday 31 July.

Many different instruments were showcased on the evening and it was a great opportunity for these students to perform on their given instruments. It is a celebration of the work of the students and their musical development throughout the year. This event also provided the perfect opportunity to acknowledge the dedication and hard work of the tutors.

The Senior Young Performers Evening is on **Wednesday 7 August** and our tutors will be encouraging students to present one or two pieces each to showcase their learning and growth throughout this year. We look forward to seeing you there.
